THE WINADU BUGLER AND THE WINADUDE

COLOR WAR CLUE

Every year the Bugler and Winadude spend hours discussing trying to figure out the teams and generals for Color War. Their columns this month will give you what they think this year's Color War will be.

The Bugler says:

“Beep beep, bang bang, oongawa - Blue Power”

What will Shelley think of this year? Color War teams have often been influenced by the movies. We've had ET vs. The Force, Ghostbusters vs. Batman, and Terminator vs. Robocop just to name a few. There are a few blockbusters out this year. Star Wars and Spiderman have just hit theaters. That's my prediction. The Blue Spiderman vs. The White Stormtroopers.

Now onto the generals. This one is a no-brainer. The general of the Blue Spiderman will be The Winadu Bugler and the White general will be the Winadude! It's time to finally settle this dispute. The Bugler will come out on top!

The Winadude says:

“W-H-I-T-E, White team on to victory”

The Bugler always thinks things are so simple. It's true that teams have often been based on movies BUT rarely are those movies out in the same year that they are our color war teams. We have also seen many historical themes. Vikings vs. Huns and Greeks vs. Romans to name a few. I am counting on a return to a historical theme for 2002. My prediction: The White Aztecs vs. The Blue Incas.

The generals are always very challenging to guess. This year it's going to be me! I am ready to take on the Bugler. My White Aztecs will defeat your Blue Incas. After five days, my Aztecs will be the last team standing.

2002 COLOR WAR CLUE #1

The fields and courts will soon be alive.
